### CalOSBA's Entrepreneurship & Economic Mobility Task Force

The California Office of the Small Business Advocate (CalOSBA)'s 2022 Entrepreneurship & Economic Mobility Task Force (Task Force) goal is to propel inclusive entrepreneurship and to ensure that all California small businesses have access to the resources they need to grow and scale. "This Task Force will focus on addressing current challenges that include workforce and capital access constraints to support a continued sustainable recovery from the COVID-19 crisis as well as look forward to opportunities for innovation and entrepreneurship on a broad scale," said Tara Lynn Gray, Director of CalOSBA.

The activities and deliverables of the 2022 Task Force will focus on three main subject areas:

- Democratizing Access to Capital
- Diversifying the Innovation Economy
- Driving Economic Mobility through Entrepreneurship

The 2022 Task Force builds on the work completed by the 2019 Entrepreneurship Task Force.

### About CalOSBA

The Office of the Small Business Advocate (CalOSBA) helps support economic growth and innovation by working to ensure that California's small businesses and entrepreneurs have the information, tools and resources they need to plan, launch, manage and grow their businesses successfully and be resilient. The CalOSBA serves to elevate their voices in state government and to advocate on their behalf to help ensure all aspiring and current small business owners and entrepreneurs are provided with the opportunity to access capital, access markets, and connect to the networks and resources they need to succeed.
