Ms. Kelly McAdoo, City Manager
City of Hayward
777 B Street
Hayward, CA 94541

Subject: Appointment of EBMUD Representatives to the Groundwater Sustainability Plan Steering Committee and Technical Team

Dear Ms. McAdoo:

Thank you for your letter dated May 6, 2019, regarding the appointment of the City of Hayward's (City) representatives to the Steering Committee and the Technical Team for the East Bay Plain Subbasin Groundwater Sustainability Plan (GSP) Development. EBMUD is also appreciative of the continuing collaboration between our agencies to develop a single GSP for the entire East Bay Plain Subbasin.

As per Article III of the Cooperating Agreement, executed June 25, 2018, I hereby appoint the following members of EBMUD staff to the East Bay Plain GSP Development Steering Committee and Technical Team:

Steering Committee

- Michael Tognolini, Director of Water and Natural Resources
- Linda Hu, Manager of Water Supply Improvements Division

Technical Team

- Alice Towey, Senior Civil Engineer
- Ken Minn, Associate Civil Engineer

EBMUD looks forward to completing and implementing the GSP with the City in coming years. If you have questions or need clarification, please contact Michael Tognolini at (510) 287-0125 or Michael.Tognolini@ebmud.com.

Sincerely,

Alexander R. Coate

Mr. Alexander Coate
General Manager
East Bay Municipal Utility District
375 11th Street
Oakland CA 94607-4240

Subject: Appointment of City of Hayward Representatives to the Groundwater Sustainability Plan Steering Committee and Technical Team

Dear Mr. Coate:

The City of Hayward is pleased to be collaborating with the East Bay Municipal Utility District to prepare a Groundwater Sustainability Plan (GSP) for the East Bay Plain Groundwater Subbasin in accordance with requirements of the Sustainable Groundwater Management Act.

In June 2018, the parties entered into the Cooperating Agreement Between East Bay Municipal Utility District and City of Hayward for Development of a Groundwater Sustainability Plan for the East Bay Plain Basin. Among other provisions, Article III of the Cooperating Agreement, Collaborative Working Structure, calls for the formation of a Steering Committee to make key decisions regarding the GSP development and make recommendations to the governing bodies, and a Technical Team to oversee GSP development and to engage with stakeholders.

I hereby appoint the following City of Hayward staff members to the Steering Committee and Technical Team:

Steering Committee

- Alex Ameri, Director of Public Works
- Jan Lee, Water Resources Manager

Technical Team

- Jan Lee, Water Resources Manager
- Marilyn Mosher, Senior Management Analyst
