# Qualifying Irrigation Flow Sensors

**The following irrigation flow sensors qualify for EBMUD rebates. Rebates are not guaranteed. For full program rules and eligibility visit ebmud.com/rebates.**

## Where can I buy irrigation equipment?

The best place to find efficient irrigation products with water conservation options and accessories is at a local irrigation distributor. You may wish to identify yourself as an EBMUD customer interested in EBMUD rebates when reaching out. Visit lawntogarden.org/marketplace for a comprehensive list of local stores with irrigation supplies.

## Can a product qualify if it is not on this list?

If you believe a product should qualify that is not included, e-mail waterconservation@ebmud.com with the manufacturer name, model name, model number or sku information, and compatible controller information.
