For residential projects, I confirm that I will submit a W-9 form in tandem with this form if the rebate will be over \$600.

Account Holder Information

I understand that by requesting an alternate payee, I am relinquishing my right to receive the rebate directly. The check will be paid to the Alternate Payee, who I am authorizing to receive the rebate. By signing below, the Alternate Payee acknowledges that if the rebate is \$600 or more, they must submit a W-9 to EBMUD before EBMUD authorizes or approves the rebate and they may be subject to federal income tax on the rebate amount.
